Adding Library Printers with Mac OS

1. Click the Apple icon
2. Select System Preferences...
3. Click Print & Fax
4. Click the + button

5. Click the IP tab

6. Set Protocol to:
   ‘Line Printer Daemon—LPD’

7. Enter the following:
   B&W printers
   Address: cicada.msu.montana.edu
   Queue: blackandwhite

   Color printer
   Address: pss2.lib.montana.edu
   Queue: librarycolor
8. Check Duplex Printing Unit
9. Click Continue

10. You’re FINISHED if the printer is displayed in your printer list.
